It's say yeah  
One night in town, my niggas 'round  
Throwin' money, them bitches hit the ground  
Then bring it back up, she bring him back up  
Put 'em in that black truck, so many hoes they lapped  
up

My niggas leanin', diddy boppin'  
Let's get it poppin', I said let's get it poppin'  
Just look at how she drop it, lil mama a certified pro  
She need her own show, slide on down that pole and  
grind slow

Hell no, I ain't countin' my dough, I came to blow it all  
And get some brains tryna find miss know it all  
And I got my cup filled you see how them bucks peel  
Young pimp see how grab me up a chick and just chill

In the back of the club with a stack full a dubs  
Drop it low like a pro, bring it back, that's what's up  
All my dogs up in here, plus there's hoes everywhere  
Niggas stunt like you don't care, throw that money in  
the air and say yeah  
(Yeah)

Throw that money in one hand and say yeah  
Throw that money in the air and say yeah  
(Yeah)

I'm high and drunk doin' my same dance  
They call it Pocahontas, doin' that rain dance  
Talkin' dough I got it, so make it rain man  
'Cause tha flow retarded, sorta like that Rain Man

Borderline insane man, look at all these dames, damn  
When a nigga gettin' money, and now I'm a changed  
man  
You smell that haze scent, know my gameplan  
Tryna get it smackin', I ain't with dat gameplan

Lil momma work for every dollar she drop it low  
Pop it slow, stop and go  
Lots of smoke, we keep ?em rollin? up  
Shorty mad she came with you, she wanna roll with us

In the back of the club with a stack full a dubs  
Drop it low like a pro, bring it back, that's what's up
