Get higher get higher...
Get higher get higher...
Get higher get higher...
Get higher get higher...
We can get higher when you want
Get higher

My jeans cost a thousand
My whip from the old school
Nothin' but bosses around us
And you ain't got no pool
So much champagne, I drowned in it
OG, rolled a pound of it
Keep it G, like the sound of it
Came to spend money, who's countin' it?
I'm the realest in the drop, just left the dealer
In this outfit I'm a killer, tell the coppers I ain't
innocent
If it's poppin', then I'm in it
Own it all, you probably rent it
When I talk, you niggas listen
Thirty thousand, I'mma spend it

Hella bottles in my section
Throwin' money on the floor
No, I ain't on the guest list
I walk right in through the door
I'm so turnt up, so turnt up (Get higher!)
I'm so turnt up, so turnt up (Get higher!)
I'm so turnt up, so turnt up (Get higher!)
I'm so turnt up, so turnt up (Get higher!)

Mixing gin up with the Tequila
Smokin' reefer
Got it twisted thinkin' I don't get fucked up
Make you a believer
Camera's outside, there go young Khalifa
No keys, left the 69 inside
Cuz my license just expired
I'm in my Cadillac I don't drive
Hit the club and get so high
And I don't really know 'bout yall

But all of my niggas got bank
Iâ€™m payinâ€™ for all of these bottles
Iâ€™m a boss nigga, fuck you think?
Good weed, good drink, better clothes
Fast cars, club owners let us smoke
Grind hard
You donâ€™t work hard, youâ€™ll never know
How it feel, to have a couple niggas thatâ€™s real

Hella bottles in my section
Throwinâ€™ money on the floor
No, I ainâ€™t on the guest list
I walk right in through the door
Iâ€™m so turnt up, so turnt up (Get higher!)
Iâ€™m so turnt up, so turnt up (Get higher!)
Iâ€™m so turnt up, so turnt up (Get higher!)
Iâ€™m so turnt up, so turnt up (Get higher!)

Get Higher! (x5)
