'[Verse 1]

Girl Let Me Take You To My Studio
Give You Everything You Want And Need
Lay You Flat Like A Piano
If You Let Me Stroke Your Keys
You Going Be Saying Things You Never Said
Matter Fact You Going Be Playing Melodies You Never
Played
We Aint' In No Bed,
We In The Lab
And Im Reclining In My Seat
You Can Just Climb On Top Of Me And Ride Me Like This
Beat
You Say You Need This (Loving)
Well Imma Grab Your Wasteline,
And If You Like It Deep,
I Could Hit You With That Baseline
I Aint' Tryin To Waste Time
For Me And Your Sake
Plus Im Payin For This Session
I Need More Than One Take
I Make The Boards Shake Like How Im Suppose To
I'll Have You Sounding Good
Lil Ma, I Got Them Pro Tunes
Now You In The Mood
I Got You Doing This And Tryin That
Beating Your Drum
While Im Playing With Your High Hat
You Like That
Soo You Dont Want To, I Just Make You Do It
Got You In Love, Cuz When We Fuck Its Like We Making
Music, Go n' Lose It

(Chorus)

I don't want to be unusual
But there's a lot of things that I can see me doing to
you.
here in my studio oh oh, oh oh, oh oh, ohhhh yeeaaa.
You say you gotta work tomorrow, you can make it
though,
And even though there's probably other places we can
go,
We in my studio,, oh oh, oh oh, oh oh, ohhhh yeeaaa

And No It Aint Gon Stop
I Keep This Song On Replay
Putting All Them Scratches On My Back
I'm Like Go DJ
Be My Guitar
I'll Pluck Your G-String
Pull It To The Side
Imma Make Them Vocals Drop
I'm Gripping On Your Thighs
We Tangled Like Some Cables
From The Front look In Your Eyes
Then I Turn You Like Some tables
No You Fiending For This (Loving)
That's What You Gon Get
And I Cant Sing,But I See You
And Know Im Gonn Hit,Yeaa
Lets Do The Verses Now
Worry About The Beat Later
Heard You Be Going Off That Head
You Don't Need Paper
Play You An E-Major, A-Minor
Girl Your Rhythm Straight
And I Say You Got Great Timing
Feel Your Heart Rate Climbing
Like When My Speakers Quake
More Than okay or Straight
You Got That 8-0-8
You Say You Cant
But I Do Something That Just Make You Do It
Me And You Dont Fuck
We Make Music,Yeaa

(Chorus)
I don't want to be unusual
But there's a lot of things that I can see me doing to
you.
Up in my studio oh oh, oh oh, oh oh, ohhhh yeeaaa.
You say you gotta work tomorrow, you can make it
though,
And even thought there's probably other places we can
go,

We in my studio,, oh oh, oh oh, oh oh, ohhhh yeeaaa
