Wiz Khalifa
"Take Away"

Uh, uh, yeah bitch, ha, ha
That's what I like to call my type of shit

Yeah, forward progression, niggas got it backwards
I'm relevant but nothin' like you other rappers
You see I fuck with trap niggas
Because really, I'm the only one rappin', get it how you
live

Survival of the fittest you should know the code
All I got is what I give until they overload
Nigga, I'm the shit overflowed
And I grab a blunt split it like a chromosome

Uh, I'll have it where you're bitch ain't phonin' home
We done blown the whole oak gettin' our stoner on
Ain't gotta say shit, I know you don't
See my chain, make the same face from Home Alone

All this good weed that I'm puffin'
Got me feelin' like there ain't a place I can't go
Ain't a thing I won't do
And I'm awake so I guess my dream's come true

And the game gave me a feelin' that no one can take
away from me
I said no one can take away from me
On the road doin' shows, oh, no one can take away
from me
I get a feelin' that no one can take away

Uh, down to take a trip my nigga, what's the ticket
hittin' for?
I got some hoes that wanna roll too, ha, ha
And if you wanna see what it's like to be just the team
And tired of the background so you make your own
scene
I'll hit you up when I roll through

Yeah, California weed keep ya pissed off in your mind
state
Hard to get it on it so my niggas boost the crime rate

It's obvious I'm ghetto so they love me like I'm Kid Rock
Try your luck with what's around my neck and get ya
wig chopped

Fuckin' with I can get you so much cash or nowhere fast
I got your bitch in awe, she never flown first class
Or had the driver get her bags

And the game gave me a feelin' that no one can take
away from me
I said no one can take away from me
On the road doin' shows, oh, no one can take away
from me
I get a feelin' that no one can take away
