Verse

And she dug my chain
Love my swag i does my thang
Love my slang, talk just like me
Say she proud to be taylor gang (taylor gang?)

but you can bring your girls too
now we can do all the kinky things you

i'll take you out this world
and we can get commercial
see ima need privacy its obvious you aint learn
so, i'll teach you to fly
i can teach you to fly
i can teach you to fly
i can teach you to fly
i can teach you to fly
i can teach you to fly
i can teach you to fly
