Cool  
As the summer breeze  
Pimpin is nothing to me  
Roll up that purple and breathe  
Sit back and fuck up the beat  
Them niggaz be hating but  
Them niggaz suckers to me  
Who here is fucking with me  
It's not a dicussion I be  
In my own class  
Bitch I got them cold raps  
I fuck the world and fuck your girl  
And give them both an orgasm  
Leave the show cancelled  
Leave them with no answer  
The master of my domain  
Yes, I am no costanza  
First I had potential  
Now I got them answers  
I'm smokin on that voodoo  
And that's word to papa shango  
Cooler than a fan circulating  
When it's dancin in my face  
I get one chance then imma take it  
So, Lord forgive me for my indirect sinning  
Am I cheating on this woman  
If I'm getting naked pictures from another  
I love her, and I'm always gon want it  
But let me be 100  
See monogomys redundant  
Sometimes you find the one  
Sometimes you give it up  
Sometimes you buy that ring but no problems, you in  
luck  
Sometimes it ain't what's up  
Sometime you play the field  
So for now I'm doing me and I'm finding (It's Cool! )  
{Chorus} - Wiz Khalifa  
I hear em talking they all saying they doin they thang  
but they not like me  
I'm getting all this

Loving all this money  
That's how it is, and how it's gon be  
If you're ballin (When you're ballin)  
You can see em major fans watch em niggaz on the  
sidelines  
Hating (sidelines hating)  
But I'm too high up I can't hear what they're saying  
(saying)  
Verse 2 - Wiz Khalifa  
Definiton of cold  
Ice, 30 below  
Champagne, foreign names in my pool  
Take you home, let you sleep in my clothes  
Roll some weed, the homies ain't gotta know  
Get you high, keep it on the low  
All this paper I fold  
Meeting fuckin hoes on the road is taking it's toll  
Now how you think? don't even speak unless you  
talking Franklins

Ran out of weed, but see I kept it G and brought a  
Joint to bake so (It's Cool! )  
So cool my bitch got no shoes  
My whip is new but I'm playing old school  
Always keep it up-to-date that's why the hoes choose  
Yesterday's paper, that's why you old news  
Hated on my team until they seen he won't lose  
Used to be a player, now I coach fools  
On how to get your money, live it and spend it just how  
you're s'posed to  
Called some bitches to roll through and (It's Cool! )  
{Chorus} - Wiz Khalifa  
I hear em talking they all saying they doin they thang  
but they not like me  
I'm getting all this  
Loving all this money  
That's how it is, and how it's gon be  
If you're ballin (When you're ballin)  
You can see em major fans watch em niggaz on the  
sidelines  
Hating (sidelines hating)  
But I'm too high up I can't hear what they're saying  
(saying)  
Verse 3 - Wale  
Back in my zone  
Fresh out the BETizzy  
Shoutout Beeba and Nicki  
Tell Mr. Hill we ain't trippin we cool  
I'm blowin sticky and blowin out of that Lex  
I'm living with no regrets  
While I'm getting over my ex's

Access granted, take a step up in my World Cup  
My niggaz is thorough cut  
Sip until I hurl up, Oca  
Hol' up, I got bitches sewed up  
What y'all niggaz know about it  
My kick game is World Cup  
World Cup, I know that they don't get me  
I keep them bitches clean, though my sneaker game is  
messy (Messi)  
Due to my under-selling no I didn't get that Bentley  
But that this AMG'll do for now and (You niggaz won't  
catch me)  
Vicious transmission for my bitches ambitions  
I just wanna rep my hood so I'll be good if I don't get  
rich  
I'm good if y'all don't listen  
Just catch me out the District  
And I'm probably in some limited shit they ain't never  
shipping  
Sometimes you do get dough  
Sometimes you get the cheese  
Sometimes you go to stores and buy errything that you  
see  
Sometimes you do get broke  
Sometimes you be on E (empty)  
But for now just roll it up and just become one with the  
breeze  
{Chorus} - Wiz Khalifa  
I hear em talking they all saying they doin they thang  
but they not like me  
I'm getting all this  
Loving all this money  
That's how it is, and how it's gon be  
If you're ballin (When you're ballin)  
You can see em major fans watch em niggaz on the  
sidelines  
Hating (sidelines hating)  
But I'm too high up I can't hear what they're saying  
(saying)  
It's Cool!
