[Verse 1: Chevy Woods]

I hear this niggas just rappin
IÂ'm? and IÂ'm ganged out
My niggas donÂ't be no talkin
You niggas giving them names out
IÂ'm Taylor Gang and you know it
Get it back fast so I blow it
Like frames also IÂ'm focused
Roll out that hardtop and unload it
Yeah them diamonds dancing, no disco
Chicken ordered, no crisco
My nigga, David Blaine your chick
Disappear like Â“Where did my bitch go?Â”
Them cars out in my gang too
DonÂ't Tony Hawk and I skate through
You ball out they gonna spray you
One to the temple, wonÂ't say who
We caked up and them cars cost
That? grade and that weed strong
You can tell the people what the fuck you want
But you ainÂ't on the type of shit that we on
And thatÂ's word to that seventh letter
Gang shit, bang bitch, nobody do it better

[Hook: Wiz Khalifa]x2

All we doing is ballin
Going hard trying to win that game
All we doing is stackin
Early morning, we gettin that change
All we doing is hustlin
On the job you lookin lame
All we doing is thuggin
You one of us then you doing the same

[Verse 2: Wiz Khalifa]

All we doin is stuntin
Paid the cars now IÂ'm doinÂ' my thang
Push to start my button
95 when IÂ'm in that lane
Kush? rolled by the onion
SmokinÂ' ounces up to my brain

Young nigga just thugginÂ'
2Pac all eyes on me
My car collection is crazy
Kush connection is Maynie(?)
Watch collection is classic
Want me there then you pay me
All my niggas get ratchet
Engine fast so donÂ't race me
Money stretched like gymnastics
Fuck it, paper or plastic
Niggas talkin that money
Come to find out they actinÂ'
Niggas talk like they gangsters
They ainÂ't about no action
If IÂ'm up in your club
Believe I got that sack in
My niggas all packed in
That money we stackinÂ'

[Hook]

[Verse 3: Lavish]

All I know is win
Rolling papers and gin
Poppin out of two doors
? Iverson
They know what it is
When a nigga ride by ya
Brought ya niggas all with me
Man they might fire
Smoking on that fire
Through my supplier
Only got it for some medical
Still blowin on medical
Nigga see you stuntin lookin at you on some hatinÂ'
shit
I just roll up on it like I would on some player shit
Man around the way, I call it that mayor shit
Nigga know who my gang be, bands up, turn crazy
Bands is on me, she dancinÂ' on me
My hammer showinÂ', no niggas drawinÂ'
? eatin shrimp and lobsters
Rollin up with?
