i grew tired of the same
then one night packed my things
told the one i love al be back one day
through the fight through the pain
booked a flight took a plane
told her not to cry al be back one day
been dreaming this since i was young
so baby girl al be going
till im gone (gone)
till im gone (gone)
till im gone (gone)
i buy time in switzerland
i drive round in monaco
i shook hands with royalty
made songs that monarchs know
ti ti ti la so fa
mi mi mi ra do
call me aloe blacc coz i need that dollar yo
ha ha
hic-hic-hiccup
blame it on the liquor
i came through like a stick up
now am ballin like a kick up
al be cuttin off these b*****s like an episode
of nip tuck
and yes i am the best man im so sorry bout the mix up
come out and play
pour out another bottle lets do it all today
and worry bout it all tomoro
i do it for the thrill
you no i love the rush
and once you get me goin i can never get enough
i grew tired of the same
then one night packed my things
told the one i love
al be back one day
through the fight
through the pain
booked a flight took a plane
told her not to cry
al be back one day
been dreaming this since i was young

so baby girl al be going
till im gone (gone)
till im gone (gone)
till im gone (gone)
but i wont be gone for to long
in amsterdam
just came from aussie tour
you've never seen this before
im the on like 2 plus 3
m-m-m-minus four
fe-fe-fe-fi-fo-fumeverytime i can stalk
yeh yeh am honest
i landed in a rocket
with a crown inside my watch
and a silver B sign on my bonnet
you dont need a thermometer to tell you whos the
hottest
ip dip do motherf-cker you are not it
come out and play
pour out antother bottle lets do it all today
and worry bout it all tomoro
i do it for the thrill
you no i love the rush
and once you get me going i can never get enough
i grew tired of the same
then one night packed my things
told the one i love
al be back one day
through the fight
through the pain
booked a flight
took a plane
told her not to cry al be back one day
ok im in it am in it to the finish
i keep them bottles coming
till my card aint got no limit
got some friends that playin football
and some friends that playin cricket
and a mistress that is fine like a f-ckin parkin ticket

i keep them bottles coming till there aint nothin in it
im like mario on mushrooms
im like popeye on some spinach
we gon keep it coming till i no speaka no english

then one night packed my things told the one i love
