Uh, uh
Yea man, let me spit somethin real to u
Yea hahaha uh

Chorus
Just take a look at the way them diamonds glow, know
why u niggas hate
U know we get this doe in everyway
And oh they chase me down, when I'm on the road
My face is known in every state
Them bitches fuck me cause they know my name

[Verse 1]
Blunt flickin, gin cup sippin another hundred thousand
dollar mission, I be
Out of reach check yo time piece, shorty got that look
of love and I'm I-Z
Nothin like them other lil niggas I'm me
Keep a couple rowdy cuhz niggas by me
And I'm on a good weed diet, as a youngin I was told
that if u can make the plane go fly it
In another lane so these lames wann try it
And bitches all the same they just wanna fuck the pilot
My change get me brain, chain start a riot what u hot
for
Used to be ballin my nigga so what u stop for?
I'm top floor blowing by the Obama, and security don't
give me no drama
I'm lookin for Impalas while I'm driving cause I'm
probably gettin high
And u hatin on me prolly cause I'm fly, Yea

Chorus
Just take a look at the way them diamonds glow, know
why u niggas hate
U know we get this doe in everyway
And oh they chase me down, when I'm on the road
My face is known in every state
Them bitches fuck me cause they know my name

[Verse 2]
Yea where your seatbealt u gone need help, to these

niggas I'm neal on them bitches I'm Lee Phelps
My jeans fit I don't need belts, still spending grams just
to hold up my pants
Tats in my skin, neck face in my hands
O-Z's on the road, kush roll when I land
Taking shots, writing Taylor Gang in the sand
And everywhere I go, hoes know I'm the man
