I dont know whats going on, or about this feeling that u  
got me feeling, cus evrytime I try to leave im right bak  
again, and I aint going no wher, got me walkin on the  
ceiling, so when the times r hard n the nights r all  
alone, oh, ill b the one u call all all on, no telling  
were we mite go, and evrytime u look up baby im right  
there, flyin in the air, so let all of ur fears go o o  
oh, aint nevr spend a nite low,  
We go up up up up up up up up up, we go up up up up up  
up up  
up, we go up up up up up up up up up, we go up(16X)

So high im not comin down, n u n me we aint comin  
either,  
lets write our names n the could , break sumthing  
down,

roll it up pass it all around, got damn she a keeper, sp  
wen the times r hard n the nights r all alone, ill b the  
one u call o o on, and tell em wer we might go, and  
evrytime u look up bby im right ther, flyin in the air,  
so let all of ur fears go o o oh, aint nevr spend a nite  
low,  
We go up up up up up up up up up, we go up up up up up  
up up  
up, we go up up up up up up up up up, we go up(16X)

Cus everything better wen ur high  
Everythings better wen ur high (3x)  
If u dont smoke I dont know why  
Cus everything better wen ur high  
Everythings better wen ur high (3x)  
If u dont smoke I dont know why
