Its all part of the plan.To come through get high as I

Packing my over night carry on, we dont check bags.
Old folks are proud to see I'm young and I Louied up to
my eyes.
True story word to the wise dont let these labels gas
you up to be somethin.Get yo paper never trust em.
Watch the niggas you run with. I done seen niggas who
had all they dreams fucked over, over some dumb shit.

to pungent blame it on the reefer consumption.
The difference between you guys is you lie & we live it.
