Yeah, yeah, around these parts I'm known as the  
youngest in charts  
My ship bang off the trunk of your car  
It's the cities know raps spitters send me blow clap n-  
ggers  
Skin and bones for really know is fat n-gger  
I know to chase the bus trying to get my paper over  
In the studio writing rhymes to the paper crush  
I'm not the type that you gonna call ... but I'm a hustler  
It's all in my blood so ... with the cheese in a minute  
My smooths kinda loose so I ease to the finish  
I hop up in the coupe feel the breeze while I'm in it  
Gonna smoke about to goof got my trees that I'm  
splitting  
Younger got the game all locked, I'm on top, it's a  
shame you're not  
You are lame, put your brain on pop  
If you wet like the rain you drop, I'm going on top and I  
ain't gonna stop, n-gger, yeah

We drift deeper, life goes on, we drift deeper, drift  
deeper, we drift deeper in the zone life goes on  
We drift deeper in the zone, feeling strong

Don't ...you know what you're dealing with o so in this  
simple flow so pillaging  
My spit games like a foul fall pillage sh-t, no ...want but  
they don't go killing sh-t  
Real a sh-t and your main right pick me, they try and hit  
me  
Kick game like 50 cents, n-ggers wanna play games  
out quickly  
More with the score that I ... hit me

And they want the kids still hurting, hundred n-ggers  
with hammers  
yeah, that's what I call a steel curtain  
I had of my time to steal ... with a ... couple of mail work  
it  
And I am from Pittsburgh with a cream and the eating  
is good  
And the things do everything in the hood

Everything is like a war so my soldiers ... protecting the  
hood  
And we getting the green like we should

We drift deeper, life goes on, we drift deeper, drift  
deeper, we drift deeper in the zone life goes on  
We drift deeper in the zone, feeling strong

I'm from the home of the great, where they know for  
the ...  
where the money's stacking up, ... prom to your face,  
you can step out of line, n-gger,  
thrown in the place, that's what all my homies say, this  
wherever whenever  
...flow so hard and I spit so sick, all the days fat n-  
ggers it's all ... can't be on a heaven  
no no sh-t and that's wrote to the ... wherever whenever

We drift deeper, life goes on, we drift deeper, drift  
deeper, we drift deeper in the zone life goes on  
We drift deeper in the zone, feeling strong.
