## Chorus

We're done but it's not over  
We'll start it again  
After the end of the day,  
it keeps getting better  
Don't be afraid  
we'll do it together

um uh, hahaha, Yeah, We gonna chase this cheese.

## Verse 1

Started from nothing, ended up with everything  
From the house to the whips taking trips any place that  
you care to name  
Champagne, skydiving, easy wider papers, no blunts,  
hit it once you mile high  
Grinding now I'm living how supposed to, supposed to  
Laughing at you haters like I told you, told you  
I just tell the waitress keep pouring  
Get in front of the camera keep posin  
Too much bank to be rolled in  
Thats why I stay golden  
Till the cake is rollin  
And you just cant fold it  
Or its old and molded  
And the crust get golden

## Chorus

We're done but it's not over  
We'll start it again  
After the end of the day,  
it keeps getting better  
Don't be afraid  
we'll do it together

hahaha, Yeah

Taylor Gang over everything, hahaha

Were gonna keep chasing this paper

Verse 2

Uh, And you stay the night cause you say my life is  
excitin  
Wake up still drunk, not going to work cause you like it  
Living with no regrets  
Buying more bottles while we got ones I aint even  
opened yet  
Notice that first thought you want to talk about your  
boyfriend, boyfriend  
Now every time he calling you ignoring him, ignoring  
him  
Somewhere tasting trees , cat and mouse  
You chase me, I'll chase this cheese, while we're young,  
one

Chorus

We're done but it's not over  
We'll start it again  
After the end of the day,  
it keeps getting better  
Don't be afraid  
we'll do it together

Its a fucking wrap dog, hahaha  
I said Taylor Gang or die, I mean that shit, Yeah

Ah man, so just look out the window and see what you  
used to have  
Now look up, hahaha
