Yea,
I live life like the weekend (weekend)
Get it in every night til the weekend (weekend)
Stay up til the sun rise then we sleep in (yeah)
Hard work got my bank account peakin (peakin)
ShitÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„s straight, you can trust me
Niggas gon hate, but the hoes just love me (love me)
DonÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„t it sound so good
How a youngin so fresh with a style so hood

Got visions of your man, broke and doin bad
Fans stand in line just to take pictures of your man
Flow hot, should be in the kitchen with the pans
Money be on the floor stacked to the ceiling with the fan
IÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„m living what IÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„m
saying
Name known everywhere I go, west coast to the
buildings in Japan
Trying to keep them dollar signs fillin up my pants
So I donÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„t need weight , the boy got
cake
See me in every city, different broad in every state
Niggas all got new intentions cause IÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„m
winning in the race
I make a broad turn groupie
She like, ÃƒfÃƒÂ¢,ÃƒÂ„..."gosh, look at all this
GucciÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„
I have her in the crib late night, in the crib rollin that
stink up
Now she talkin bout getting inked up
I donÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„t see yall weak fucks
Now that yall swole me and Niko linked up
Now we gon eat up

(chorus)
I live life like the weekend (weekend)
Get it in every night til the weekend (weekend)
Stay up til the sun rise then we sleep in (yeah)
Hard work got my bank account peakin (peakin)
ShitÃƒfÃƒÂ¢,ÃƒÂ„,ÃƒÂ„s straight, you can trust me
Niggas gon hate, but the hoes just love me (love me)

Don't f---, --, it sound so good
How a youngin so fresh with a style so hood

Wizzle listen, this is where them and us both differ
Before they had the voice now they have the pitcher
And we will deliver
We are the stars, the big dippers, get it?
High sky scraping, the constellations

High sky scrapin', the constellations
My flow forsaken and they cannot take it
And I'm gon give it and they will not make it
my flow coke an I'm gon bake it
But I never sold it
More like a weed tota, mota rolla Nextel chirpa
Your girl is a slurpa, but you don' know it
Young Wiz told me, he put his hommie on it
And I ran up on it, and we had a moment or two
You ain't seen me since how lonely are you?
You sad and you're weepin' 'I'm comin' right back,
Imma see you next weekend

I live life like the weekend (weekend)
Get it in every night til the weekend (weekend)
Stay up til the sun rise then we sleep in (yeah)
Hard work got my bank account peakin (peakin)
Shit --, --s straight, you can trust me
Niggas gon hate, but the hoes just love me (love me)
Don't f---, --, it sound so good
How a youngin so fresh with a style so hood
