And they say all I rap about is bitches and champagne,  
You would too if every night you seen the same thing  
Money wall to wall, young famous nigga, spend it all,  
when you die you can't take it with ya  
Bottle of Rose if I'm drinking with ya  
Cause most niggas is broke their bank is injured  
Then bitches gonna ride with who they think's a winner  
And I'll be smiling in case they take a picture  
Oh, I'm smoking weed drinking liquor make a hundred  
on a show spend it all on my niggas  
When I go shopping I tell them pick one  
Cause they was with me when nobody seen a vision  
Always about my business don't play the cards  
I talked to the niggas who dealt them, uhh  
Royal flush, now look up them niggas and baby girl you  
see us, yeah

I'm gonna spend it all why wait for another day  
I'ma take all this money I own and blow it all away  
Cause I can't take it when I'm gone, gone, gone, gone  
No I can't take it when I'm gone, gone, gone  
I'm gonna spend it all why wait for another day  
I'ma take all this money I own and blow it all away  
Cause I can't take it when I'm gone, gone, gone, gone  
No I can't take it when I'm gone, gone, gone, gone,  
gone

Hella hoes in my car, they wanna feel that maximum  
speed  
Never had an absence of weed  
Tired of being at the bar, everything Louie V,  
Plus the most exclusive treat in my jar  
Making my bank, spending it all  
and that expensive shit you paid for, she had it on  
She taking it off, most of these niggas just talk and  
taking it off  
Back in the day money was short, I'm making it taller  
you know what I mean, some say it's a problem  
Blowings my greens, not saving my collards  
No NBA, they say I'm a baller  
Live for today, it's not like my father

I'm gonna spend it all why wait for another day  
I'ma take all this money I own and blow it all away  
Cause I can't take it when I'm gone, gone, gone, gone  
No I can't take it when I'm gone, gone, gone  
I'm gonna spend it all why wait for another day  
I'ma take all this money I own and blow it all away  
Cause I can't take it when I'm gone, gone, gone, gone  
No I can't take it when I'm gone, gone, gone, gone,  
gone
