(Verse 1)

Nigga, yeah, fresh up off the plane  
Real niggas embrace my music and bitches go insane  
Even they kids throwin' up the gang  
They don't bother pronouncin' my name  
They just look at my chain  
Boy how much you spent on it?  
This ain't nothin' but hard work  
and what you can get from it  
Ain't no toilet paper but this smell like the shit  
don't it?  
Smokin' chronic and drinkin' gin  
'til we get sick stomached  
And them suckas ain't gotta like it  
'cause ya bitch love it  
Ima roll it  
She gon' light it  
Tell me she in desperate need  
of a pilot  
I told her kick her feet up  
We gon' go to my crib  
soon as I roll this weed up  
Call some friends of yours  
and we could all have a smoke out!  
You ain't gotta hold it too long  
This is rapper weed  
Couple hits is all you gon' need  
In my Versace frames, I'm blazed!  
Somewhere on the island  
Smokin' some ray, middle of the day,  
drunk dialin'  
Be surprised by how high a nigga get  
I'm a different kind of fly, we ain't on the same shit  
Nigga!

(Chorus)

I won't land  
won't land, won't land (x5)

(Verse 2)

No need to apologize  
You should know how fly niggas do

Only EZ-Widers  
Been done with them cigarillos fool  
I been on the road choppin' and killin' them interviews  
Heard I left a major deal  
but my paper major still  
And all of them fans in love with me  
'cause I say what's real  
So I can never give a fuck!  
how a hater feel  
But uh, every time they send a driver for me and Will  
I call her doin' my talkin' on the field  
At first niggas was tough,  
they don't wanna be gangstas now  
Faces of my flow,  
yeah they copy and paste my style  
Wouldn't think I notice it  
While in my hotel, smokin wit yo bitch  
Fool! Haha  
And this is it, what!  
Relax your feet, put on some music  
Roll a zip up  
And we gon' smoke it 'til it's gone  
Ever see me cough?  
Can't speak for suckas who do  
Because I'm G'd up! What!  
Haha! Ah!

(Chorus)
