[Wiz Khalifa - Verse 1]

Diamonds all on my brain, nigga

Gold watches, gold chain, nigga

Hundred thou' on champagne, nigga

Yeah, my money insane, nigga

Yeah, I'm making it rain, nigga

When I was just on a plane, nigga

Buying gear, flying here

Fuck what you heard, its my time of year

If I'm in the club I get a hundred stacks

I'm always rollin' up so I could laugh at that

Them other niggas stole my swag but I don't want it
back

My nigga, uh, I was on this but I'm onto that

You see it in the closet before it's on the rack

Was out there in Hawaii now I'm going back

My nigga, uh

I got so much money I should start a bank

So much paper right in front of me it's hard to think

Find so many bottles it's gon be hard to drink

But I'm still pouring up and my family here

And they rolling up so, ugh

[Chorus x2]

The bigger the bill

The harder you ball

Well I'm throwin' mine

Cause my money long

The quicker you're here

The faster you go

That's why, where I come from, the only thing we know
is

[Hook]

Work hard, play hard (x4)

Work (x8)

[Verse 2]

Hopped your pretty ass up in this fucking car
Bitch I'm out this world, girl you know I'm a star
Used to buying rounds, but now we buy the bar
Last year they had to ask, now they know who we are
'Bout shit, walk in the building, I own shit
You can tell by who I'm on the phone with
Damn nigga, talkin' bout grown shit
Nigga, too busy jackin' my swag
Need to fuck around, get ya own shit
Get ya own cars, get ya own clothes
Get ya own smoke, get ya own bitch
Yeah, you aint reppin' my gang, get ya own clique

[Chorus x2]

[Verse 3]

Go hard, make sure you do whatever it is that you gotta
do
Thats your job
And niggas gonna hate but thats no prob'
So hey fuck 'em don't need nothing from 'em
Some niggas talking but the shit they claiming don't
mean nothing
It's straight from Cali
Thats whats in my joint
Thats what I'm puffin'
OG and been one since I was young enough that know
that everybody was gonna know me
Most niggas don't see

[Chorus] + [Hook]
