Talk to me now im older
your friends okay cause i told her
friday nite's so damn lonely
change your plans a damn for me
we can go and get forties
fuck goin to that party
im really not fixed so i went out
alright, lets go, you convinced me
12:51, is the time my voice
found the words i saw
is this the stage i walk
or could be shutting out, for us
oh we were tense for sure but we was con-fi-dent
kiss me now that im older
i wont try to control you
friday nite's so damn lonely
take yerself it dont want me
are ellie and bitzel at home now
i rather tell you than this way
we can go and get forties
sometimes i sing it backwards,

but hey that's okay
