watched her as she wiped her eyes
you dont make me sorry
now i know
uh that you never, listened, listen

thinkin bout that high school dance
worried bout the finals
yes i know
you feelin lonely, oh lonely so lonely

never needed anybody
i never needed anybody
i never needed anybody
i never needed nobody
dont worry bout it honey
i never needed anybody
i never needed anybody

it wont change
now am i wrong
dont say your in love with me
i said i was fine
its just the second time we lost the war

she'd be in the kitchen
i would start the fire
but those days are gone
i tend to walk and give up, give up

p.s. if i may ask why
when will they get tired
we stayed up, all nite
tryin, tryin

never needed anybody
i never needed nobody
i never needed anybody
i never needed anybody
i dont worry bout it honey
i never needed anybody
i never needed anybody

it wont change
now am i wrong
dont say your in love with me
i said i was fine
the se-cond time we lost the war

this isn't it (huh)
