can't you see i'm trying, i don't even like it  
i just lied to get to your apartment  
now i'm staying there just for a while  
i can't think 'cause i'm just way too tired  
is this it  
is this it  
is this it  
sad they'd give you anything you ever wanted  
when they lied i knew  
we were just stable children trying hard  
not to realize i was sitting right behind her  
dear, can't you see  
it's them it's not me  
we're not enemies  
we just disagree  
if i was like him  
office in this bar  
he changes his mind  
says i went too far  
we all disagree  
i think we should disagree, yeah

is this it

is this it

is this it

can't you see i'm trying, i don't even like it

i just lied to get to your apartment

now i'm staying there just for a while

i can't think 'cause i'm just way too tired
