last night she said  
oh, baby, i feel so down  
oh, and it turned me off  
when i feel left out  
so i, i turn 'round  
oh, baby, i don't care no more  
i know this for sure  
i'm walking out that door  
well, i've been in town  
for just about fifteen minutes now  
oh, baby, i feel so down  
and i don't know why  
i keep walking for miles  
and people they don't understand  
no, girlfriends, they can't understand  
your grandsons, they won't understand  
and me i ain't ever gonna understand  
last night she said  
oh, baby, don't feel so down  
oh, and turned me off  
when i feel left out

so i, i turned around  
oh, baby, i'm gonna be alright  
it was a great big lie  
cuz i left that night, yeah  
oh, people they don't understand  
no, girlfriends, they cant understand  
in spaceships, they won't understand  
and me, i ain't ever gonna understand  
last night she said  
oh, baby, i feel so down  
she had turned me off  
when i feel left out  
so i, i turned around  
oh, little girl, i don't care no more  
i know this for sure  
i'm walking out that door, yeah
