When they say promises
They mean promises.
They'd say, "that's ok,
Long as we can celebrate"
You see, my uncle would say
things would change when he's dead...

"Meet me in the bathroom"
That's what she said
I don't mind...it's true.

Never was on time
Yes, I once was mine
Well, that was long ago
And darling, I don't mind.
Yeah, we were just two friends in lust
And baby, that just don't mean much
You trained me not to love
After you showed me what it was

Now she's staring wide-eyed
Can't close her eyes
Anywhere is fine
just don't waste my time
You see, my uncle would say
things would change once he's dead...

"Meet me in the bathroom"
That's what she said
I don't mind...it's true.

Never was on time
Yes, I once was mine
Well, that was long ago
And darling, I don't mind.
Yeah, they were just two fucks in lust
Baby, that just don't mean much
You trained me not to love
After you taught me what it was.
