One by one,
Tiking timebombs won,
It's not a secret to the government
Is keeping you dump,
Oh it's the other way around
Wait, what's that sound?
One by one, baby here we come

He want's it easy,
He want it relaxed
Said I can do a lotta things, but I can't do that
Two steps forward then three steps back alright

Won't you take a walk outside,
Oh no,
Can't you find another guy,
Oh no,
1,9,6,9, what's that sound,
Oh no
Keeping down the underground
Oh no,
The end has no end,
The end has no end,
The end has no end,

He want it easy,
He want it relaxed,
Said I can do a lotta things but I can't do that,
Two steps forward then three steps back,
It won't be easy

Won't you take a walk outside,
Oh no,
Can't you find another guy,
Oh no,
1.9.6.9, what's that sound,
Oh no
Keeping down the underground
Oh no,

The End has no end (X8)
