Up on a hill -

Here's where we begin.

This little story - a long time ago.

Stop to pretend.

Stop pretendin'.

It seems this game is simply never endin'.

In the sun - sun havin' fun.

It's in my blood!

I just can't help it -

Don't want you to say, "No."

Let me go!

Oh let me...

A g-g-g-g-g-g-go!

Leavin' just in time...

Stay there for awhile...

Rollin' in the ocean...

Tryin' to catch her eye.

Work hard and say it's easy.

Do it just to please me.

Tomorrow it is different.

So I'll pretend -

I'll pretend -

I'm leavin'!

^V^

I feel so different now!

We trained in A-V-A.

I wish you hadn't stayed.

My vision's clearer now,

But I'm unafraid.

I'm flyin' overseas,

No time to feel the breeze -

I 'too many of varieties.

Well in the sun - sun havin' fun.

It's in my blood!

I just can't help it -

Don't want you here right now -

Let me go!

Wooo!

Oah - Ah let me...

A g-g-g-g-g-g-go!

Leavin' just in time...

Stay there for awhile...

Rollin' in the ocean...

Tryin' to catch her eye.

Work hard and say it's easy.

Do it just to please me.

Tomorrow it is different.

And this is why I'm leavin'.
