i dont wanna waste your time,
i dont wanna waste your time.
i just wanna say. i've got to say.
you are gone, darling.
we dont have no control, we're under control.

i don't wanna do it your way.
i don't wanna do it your way.
i dont wanna give into your way.
i don't wanna.

i don't wanna change your mind.
i dont wanna change the world.
i just wanna watch it go by.
i just wanna watch it go by.

we were young, darling.
we dont have no control,
we're out of control.

i dont wanna do it your way.
i dont wanna do it your way.
i dont wanna give in to your way.
i dont want to go.

i dont wanna change your mind.
i don't wanna waste your time.
i just wanna know you're alright.
i've got to know you're alright.

you are young, darling,
for now but not for long.
we're under control.
