Slip back out of whack,
At your best.
It's a nightmare,
So I'm joining the army.

Know how folks back out,
I'll still call.
Will you wait for me now?

We've got the right to live, fight to use it,
You've got everything but you can just choose it,
I won't just be a puppet on a string.

Don't go that way.
I'll wait for you.

And I'm tired of all your friends
Listening at your door
And I want,
What's better for you.

So long, my friend
And adversary.
Oh, but I will call you.

Get dressed, jump out of bed
You do it best.

Are you OK?
I've been all around this town
Everybody's been singing the same song for ten years.

I'll wait for you.
Will you wait for me too?

And they sacrifice their lives
In our land of all closed eyes.
I've been saying it a billion times,
And I'll say it again,
So long my adversary and friend.

Don't go that way.
I'll wait for you.

I'm tired of all your friends,
Knocking down your door.
Get up in the morning and give it your all.
So long, my friend
And adversary.

Oh I'll be waiting for you.
