[The Strokes - Verse 1]

Tell me what happened
Tell me what happened
Tell me what happened
If you like
Get off on the same floor
Get off on the same floor
Get off on the same floor
Every night

What are the reasons
What are the reasons
What are the reasons
To fall out
I wanna tell you
I wanna tell you
I wanna tell you
Nothing

Girl, I am on
At anytime
Girl, I want at any town.

[The Strokes - Verse 2]

I'm done with the office
I'm done with the office
I'm done with the office
Hello, forest
I still want to ask you
I still want to ask you
I still want to ask you
Something more

Yeah

I don't want to fight
Don't want it, baby
You and me

I don't want to fight
Don't wanna make
You and me

I don't want to fight
Don't wanna make
You and me

I don't wanna argue
I don't wanna argue
I don't wanna argue
If you want
I want a ...

If I could
