P.S if i may ask why
When we will they be tired
We stayed up all night
Tryin tryin

I see them and they see me
why werent they inspired
yes I know that maybe we dont
listen listen

Chorus
oh, I never needed anybody
I never needed anybody
I never needed anybody
I never needed anybody
oh, Don't worry bout it honey
I never needed anybody
I never needed anybody

He's lyin i say dreams gets hard
and god sent them tossed
cuz when the wrong girl gets lost
give them their thoughts

(delicious little guitar solo, By Al)

thinkin bout their high school dance
worried bout the final
yes i know
that maybe we wont
give up give up

Stop.

talkin in their trends of old
yes i start the fire
whoa oh oh
oh baby we wont listen listen

I never needed anybody
I never needed anybody

I never needed anybody
I never needed anybody
I don't worry bout it honey
I never needed anybody
I never needed anybody

hes lyin i say dreams decide
and give them a chance
cuz when the old men gets gone
girls try to hard

This is the night
