Everywhere I go, always gotta see you.

I dont wanna be, where your gunna be cos.

you know I hate you, you know I hate you,  
you know I hate you, you know I hate you, I do.

Walkin down the streets, see you in the windows.

See you in the mirror,just cant be alone cos.

you know I hate you, you know I hate you,  
you know I hate you, I fucken hate you.

you know I hate you, you know I hate you,  
I fucken hate you,you know I hate you, fuck you.
