We are unemployed, happy, happy unemployed
We are unemployed, we got nothing to do, juhu
We are unemployed, happy, happy unemployed
We are unemployed, Paula, me and you

We've got no job - job
We've got no work - work
We've got no job, no work and nothing else to do

We're feelin' good - good
We're feelin' fine - fine
We're feelin' great and so we sing it all again

We are unemployed, happy, happy unemployed
We are unemployed, we got nothing to do, juhu
We are unemployed, happy, happy unemployed
We are unemployed, Paula, me and you

We've got no job - job
We've got no work - work
We've got no job, no work and nothing else to do

We're feelin' good - good
We're feelin' fine - fine
We're feelin' great and so we sing it all again

We are unemployed, happy, happy unemployed
We are unemployed, we got nothing to do,
We are unemployed, happy, happy unemployed
We are unemployed, Paula, me and you

We've got no job - job
We've got no work - work
We've got no job, no work and nothing else to do

We're feelin' good - good
We're feelin' fine - fine
We're feelin' great and so we sing it all again

We are unemployed, happy, happy unemployed
We are unemployed, we got nothing to do, juhu

We are unemployed, happy, happy unemployed
We are unemployed, Paula, me and you
