### "Bullets"

Come touch me like I'm an ordinary man  
Have a look in my eyes  
Underneath my skin there is a violence  
It's got a gun in its hands

Ready to make  
Ready to make  
Read-  
Ready to make sense of anyone anything  
Anyone anything  
Anyone anything  
Anyone anything  
Anyone anything  
Anyone anything

Black holes living in the side of your face  
Razor wire spinning around you [+echo]  
Blistering sky  
Blistering sky  
Blistering sky  
Bullets are the beauty of the blistering sky  
Bullets are the beauty and I don't know why  
Bullets are the beauty of the blistering sky  
Bullets are the beauty and I don't know why

Personal responsibility

Come find me  
Let me be the lesser of a beautiful man  
Without the blood on his hands  
Come and make me a martyr  
Come and break my feeling  
With your violence  
Put the gun in my hand

Ready to take...  
Ready to take...  
Ready to take...

Ready to take...  
...Out anyone, anywhere  
Anyone, anywhere  
Anyone, anywhere  
Anyone, anywhere  
Anyone, anywhere
