"Finding It So Hard"

I'm finding it so hard
To communicate with you
I'm finding it so hard
To show myself to you
Cause these feelings
Won't go away
God give me the strength
To get over this
So I won't keep my love in here

I'm finding it so hard
To see reasons with you
I'm finding it so hard
To show my love to you
Cause these emotions
Come out of here
God give me the power
To love again
So I could fill my heart again

I'm finding it so hard
To make my life with you
I'm finding it so hard
To let myself be with you
Cause this selfishness won't go away
I lock myself up when you're with me
So free me
So I can love again
Just free me

I'm finding it so hard
To communicate
With you
I'm finding it so hard
To show myself
To you
Cause these emotions
Come out of here
I lock myself up when you're with me
When you're with me

Girl:

Did you phone
Over me my love
Over me
Tell me why
Did you phone
Over me my love
Over me
Tell me why
Did you phone
Over me my love
