I'm thinking of you
In my sleep
They're not good thoughts
The worst kind of sad

I've noticed things
Cannot be repaired
When I wake up
I'll be in despair

'Cause I know I've got to say
I know I've got to say

Goodbye, baby, goodbye
Goodbye, baby, goodbye
You're my sweetheart, goodbye
You're my sweetest, goodbye

I know I'm gonna look
So, so, so, so bad
But there's no easy way
For me to have to walk away

But I don't want to hear this no more
And I don't want to feel this no more
And I don't want to see this no more
And I don't want to experience this no more

'Cause I know I've got to say
I know I've got say

Goodbye, baby, goodbye
Goodbye, baby, goodbye
You're my sweetheart, goodbye
You're my sweetest, goodbye

Goodbye, goodbye

Goodbye
(Sweetest, sweetest)
Goodbye
(You're my sweetest, sweetest, sweetest)

Goodbye
(Sweetest, sweetest)
Goodbye
(Sweetest, sweetest, you're my sweetest)

You're my sweetest
