Don't worry about one thing, don't worry about nothing
She said, I'm not gonna let this one go
Nobody's on my side, nobody seems to see
how much, how deep, how far these things can be

My eyes are drying ,I, my eyes are drying, I, I
I still don't even know you, I, I
Still wish that I could hold you, I, I
I sometimes wanna die

And everywhere i go and everyone I see
somehow, almost sets me free
And the space where we meet, is different from the
rest
And I just can't seem to forget it

My eyes are drying, I, I
I still don't even know you, I, I
Still wish that I could hold you, I, I
I sometimes wanna die
I sometimes wanna die
I sometimes wanna

And you're at the start, and now you are the end
And you left me with nothing to defend
I need the voice of a good friend

Can't stop myself from laughing, no matter how sad,
these things can be, these things can be

My eyes are brighting, I, I
I still don't even know you, I, I
Still wish that I could hold you, I, I
I still don't even know you, I, I
I sometimes wanna die (x8)
Yeah, I sometimes wanna
