Back to health

Your behalf

You'll see us  
On TV

We are the law

We ain't doin' nothing much (repeated)

The Junkie Shuffle

Junkie Shuffle (Repeat)

Men Like You

It's men like you  
That make me sick  
Start me off  
So Come on

It's men like you  
I'd like to crack  
Your head wide open  
And leave you smokin  
So come on

It's men like you  
Who think you feature  
A god like creature  
A world class teacher  
Spineless Fool  
Retarded Mule  
Backward Dog  
Philistine Hog

Backward Dog  
Philistine Hog  
So come on

It's men like you  
A low life loser  
Second rate user  
Your mother tried to lose you  
On the back of a bus  
On the back of a bus  
She tried to save us

So come on

Sham

God dog  
Sunday no funday  
Holy joke  
Go away  
No fun  
None whatsoever  
Ya sister is sinking

Chorus

I know I believe  
I believe  
I believe  
That it's beautiful

I know I believe  
Yeah I think I  
Believe that  
It's wonderful

I know if I leave  
My belief  
Then I leave what's incredible

It's gonna take a better man  
To get me out of this sham

If it stays like this  
You're a failure  
If you keep it up  
You're a failure

Because we want  
What you're supposed to give us  
You're a failure

We want what we're supposed to have  
You're a failure

No fun whatsoever  
No fun whatsoever  
No fun

Repeat Chorus x 2
