Does anybody want to take me home
Does anybody want to hear the thing i have to say, i
feel today
Does anybody want to see me cry
If i'm the only one i'd rather die

Thoughtless baby
Thoughtless baby
Thoughtless baby

Does anybody wants to see me swear
Does anybody want to walk along the sea
Sometimes it's like it's sick
Sometimes it throw away

Thoughtless baby
Thoughtless baby
Thoughtless baby

Does anybody want to take me home
Does anybody want to see me die
Any cries throws away

Thoughtless baby
Thoughtless baby

Does anybody want to see me cry
If i'm the only one i'd rather die

Thoughtless baby
I'd rather die

Does anybody want to take me home
Does anybody want to take me home
Does anybody want to take me home
Does anybody want to take me home
