They try hard to keep in time  
They're not you  
Sit back down  
Sit back down  
Take it in  
They exist  
Keep it slow  
Keep it fixed  
Sit back down  
Sit back down  
City streets are synchronized  
Human forms  
All petrified  
So sit back down  
Sit back down  
Sit back down  
Sit back down

Don't look up  
Let them sleep  
Don't disturb  
The morbid feet  
You're not the one  
Don't you dare  
Sit back down  
Sit back down  
Eyes are drained  
Streets are pained  
Stay below  
Keep it slow  
Sit back down  
Sit back down  
Just sit back down  
Sit back down

Close your eyes you sleepers on the street  
Walking dead  
Walking dead

Sit back down, sit back down  
Sit back down, sit back down

Walking dead
