### "Walk On The Edge"

Keep inciting me  
Unchain my heart  
One who lives in dark  
Needs a spark

Keep inciting me,  
Insanity  
You live in my mind  
Only life in dreams  
Can make me free  
And dirt stays behind

Dirt is oppressing me  
Save me, Dark  
I'm almost home  
But they call me back

No!

Deep inside in me  
I feel your breath  
My true only love  
I walk on the edge  
About to fall  
Cause I've got enough

Oh God, please help me

I close my eyes  
And regain my soul  
My life's in my hands...  
It's just a dream  
I'm just a passion  
Shadow

I walk on the edge  
I'm free  
And my path lies across the line  
But I must return  
No!
