Master of faster  
The prince of desire  
Launching the rocket to the sky  
Sin, self-afflicted  
The snake is constricted  
Mischievous deeds on the rise

My purgatory is here right before me  
I stand in Gehenna, waiting for rain

Rain  
It's a full moon possession

Hiding and sneaking  
Looking for something  
That I aren't supposed to see  
My fantasy's peaking  
The looks that I'm stealing  
That I aren't supposed to steal

My purgatory is here right before me  
I stand in Gehenna, waiting for rain

Rain  
It's a full moon possession

Look out  
I'm coming now  
Full moon
