You're alone all time

Does it ever puzzle you, have you asked why

You seem to fall in love, out again

Do you ever really love or just pretend

Why fool yourself

Don't be afraid to help yourself

It's never too late, too late to

Stop, look

Listen to your heart, hear what it's saying

Stop, look

Listen to your heart, hear what it's saying

Love, love, love

Though you try, you can't hide

All the things you really feel, this time decide

That you will open up, let it in

There's no shame in sharing love you keep within

So jump on in

Head over heels, and fall right in

It's never too late too late to

Stop, look

Listen to your heart, hear what it's saying

Stop, look

Listen to your heart, hear what it's saying

Love, love, love

Stop, look

Listen to your heart, hear what it's saying (Listen to
your heart, can't

you see it's not too late)

Stop, look

Listen to your heart, hear what it's saying (La, la, la, la,
la, la, la)

Stop, look

Listen to your heart, hear what it's saying (Listen to
your heart, can't

you see it's not too late)

Stop, look

Listen to your heart, hear what it's saying
