Today I saw somebody who looked just like you
She walked like you do, I thought it was you
As she turned the corner I called out your name
I felt so ashamed when it wasn't you, wasn't you

You are everything and everything is you
Ohh, you are everything and everything is you
Ohh, you are everything and everything is you

How can I forget when each face that I see
Brings back memories of being with you
I just can't go on living life as I do
Comparing each girl to you
Knowing they just won't do, they're not you

You are everything, and everything is you
Ohh, you are everything and everything is you
Ohh, you are everything and everything is you

You are everything, everything is you
Ohh, you are everything, everything is you
Ohh, you are everything, everything is you
Ohh, you are everything, everything is you
