Living my life in a slow hell  
Different girl every night at the hotel  
I ain't seen the sun shining in three damn days  
I'm fueling up on cocaine and whiskey  
Wish I had a good girl to miss me  
Lord I wonder if I'll ever change my ways

I put your picture away  
Sat down and cried today  
I can't look at you  
While I'm lying next to her (x2)

I called you last night in the hotel  
Everyone knows but they won't tell  
But their half-hearted smiles tell me something just  
ain't right  
I've been waiting on you for a long time  
Fueling up on heartaches and cheap wine  
I ain't heard from you in three damn nights

I put your picture away  
I wonder where you've been  
I can't look at you  
While I'm lying next to him (x2)

I saw you yesterday with an old friend  
It was the same old same how have you been  
Since you've been gone my worlds been dark and grey  
You reminded me of brighter days  
I hoped you were coming home to stay  
I was headed to the church  
I was off to drink you away  
I thought about you for a long time  
Can't seem to get you off my mind  
I can't understand why we're living life this way

I found your picture today  
I swear I'll change my ways  
I jus called to say i want you to come back home (x2)

I just called to say I love you.... come back home
