"Go The Distance"

I have often dreamed
Of a far off place
Where a great warm welcome
Will be waiting for me
Where the crowds will cheer
When they see my face
And a voice keeps saying
This is where Im meant to be

I will find my way
I can go the distance
I'll be there someday
If I can be strong
I know every mile
Will be worth my while
I would go most anywhere to feel like I belong

I Am on my way
I can go the distance
I dont care how far
Somehow Ill be strong
I know every mile
Will be worth my while
I would go most anywhere to find where I belong

I will beat the odds
I can go the distance
I will face the world
Fearless, proud and strong
I will please the Gods
I can go the distance
Until I found my hero's welcome,
Right where I belong!
