Plan On Forever
Sue Ann Carwell, Mervyn Warre
(The Wedding Planner)

I had planned my life
To the last detail
With a story book romance to fill my days
But the funny thing about answered prayers
Is they come to you in unexpected ways

How could I plan on forever
When I never planned on you
Someone to fall for
To love for all eternity

Baby let's plan on forever
And watch all our dreams come true
You're what I live for
Who I can give forever to
My destiny is youâ€¦!

'Cuz you danced with me
And the earth stood still
My heart can't quite believe how right this is
When you're in my arms
The truth of us
Is better than the best of all my dreams

How could I plan on forever
When I never planned on you
Someone to fall for
To love for all eternity

Baby let's plan on forever
And watch all our dreams come true
You're what I live for
Who I can give forever to

Oh...sometimes the one you are right for
Is standing too close to see
But you saw the light

And never gave up on me...

Baby...let's plan on forever
And watch all our dreams come true
You're what I live for
Who I can give...
Forever to...
Now I see
My destiny
is you

(plan on forever)

My destiny is you
