If you kiss me, I will never drift from you.  
Since you tell me: your style only comes in few.  
It's not my fault, if I can not help myself.  
As you kiss me, think of how I'll kiss and tell.

Assorted tales out on streets.  
Assorted tales.  
I don't know where!.

If you kiss me, I will take it as a sign.  
To talk about you, as I see you in my mind.  
Spread your coolness, know that I can't help myself.  
As you kiss me, know that I will kiss and tell.

Assorted tales out on streets.  
Assorted tales.  
I don't know where!

If you kiss me, I will never drift from you.  
Since you tell me: your style only comes in few.  
It's not my fault, if I can not help myself.  
As you kiss me, think of how I'll kiss and tell.

Assorted tales out on streets.  
Assorted tales.  
I don't know where!

Oh!

Oh!

Oh....
