One day, my daddy told me,  
You're nothing special, you're not worth it,  
But my heart didn't understand that shit, and  
I promised you, brother, I'd do it, hey and  
Succeed at it

When I was young,  
I could not see the signs,  
But one, I'm a monster, (and a superstar)  
And something like my father's son  
(Like my father's son)

There's supposed to be beauty deep inside,  
But deep inside is where I hide,  
And I can assure you, mama  
It ain't so beautiful, so deep inside

Bridge:

When I was a kid, since I was a kid  
No matter what I did, no matter what I did  
I could not fit in, I could not fit in, hey  
So I prayed, please save my life,  
But my prayer comes from within

Chorus x2:

Sometimes, I wonder if he really died for me,  
Bolts of lightning, did he really split the sea,  
Could he move a mountain for me?  
Can he open the gates, and set one of us free?

Verse:

All I ever wanted were fucked up friends,  
So we could sit in our shits and sins, baby  
All we ever wanted was to make it big,  
Ginger haired and gin, I think I'll take a swig

(Ha, ha, ha, ha)

I heard you been through some things,  
And you could really use a friend,  
You're going down a road, and I've already been

Our time is running thin, sister!  
There ain't no reason (ain't no beginning)  
Ain't no child, ain't no winning

(This is just like a dream,  
And I have a feeling,  
You and everything may not be  
What you come off to seem,  
I'm stuck between a dream and reality,  
Fatality, fatality) x2

Bridge x2:  
When I was a kid, since I was a kid  
No matter what I did, no matter what I did  
I could not fit in, I could not fit in, hey-hey-hey  
So I prayed, please save my life,  
But my prayer comes from within,  
(Comes from within)

Chorus:  
Sometimes, I wonder if he really died for me,  
Bolts of lightning, did he really split the sea,  
Could he move a mountain for me?  
Can he open the gates? Can he open the gates?

(Hey, hey)

Sometimes, I wonder if he really died for me,  
Bolts of lightning, did he really split the sea,  
Could he move a mountain for me?  
If I fell, Would you come back save me?

(Can he find it in his heart, find it in his heart,  
To love me, to love me-oooo  
Love me, love me,  
Cause I'm wonderin, cause I'm wonderin)
