My personality is quite rude  
Only to the point where im on girly dues  
Its so hard just being me  
People asking questions  
Maybe they cant see  
Cos ive got my life controlled  
How bout you deal with yours  
Dont talk what you dont know  
Youre in the back, im doing what i know

Me myself im twisted  
You wont know you missed it  
And its ok if im a little bit crazy  
And im a little bit insane well maybe  
And its just a little something  
But id rather be me than nothing  
And its ok if im a little bit crazy  
It doesnt mean i cant be a lady

Now im the kind of girl who knows her biz  
Flirtatious in a way but it depends on how i feel  
Still i keep it classy, staywith a guy thats real  
Cos if he aint supporting  
Then hes not the real deal, check it  
Im forever getting misunderstood  
Always been a leader not a puppet its good  
Before the music game that was me and thats it  
Ive never been the one to fight but i wont take it

Repeat chorus

slower  
im not the type to say just get out my face  
Cos the girl that you think you see  
sometimes needs a little space to breathe  
please, its not ok , to invade my space  
Cos the smile that you see on show  
Underneath it all i need time to grow

Repeat chorus (to fade)
