aankhon ko yoon band karke
dheeme dheeme gin gin ke
dhoondho hame hum hain kahan
bhoole se fasane hain,
zameen pe begaane hain,
dekho hue hum to hawa..

dil ke kinare, khwaabon ke neeche
hai khoya khoya apna jahaan
main laapata, tu laapataa...
hosh-o-havaas, hain laapata

haan ye zid hai meri,
tujhko hi sochenge ab hum,
roshni ye teri,
khwabon mein rakhenge band hum,
haan subha kab soyi, taare kab jaage
hum bhoole hain ke, kab kya hua..

main laapata, tu laapataa...
hosh-o-havaas, hain laapata

Le rahe the saansein,
zinda nahi the kabhi hum,
dil ye tujhko de ke,
dhadkan se waaqif hue hum
tujh mein hi gum hain,
tujh mein hi khoye,
ab dar se tere jaana kahaan..

main laapata, tu laapataa...
hosh-o-havaas, hain laapata
