Well my father used to warn me  
He said, "Son be prepared  
It's a jungle out there  
Life is so unfair"  
And I would sit and listen  
To every word he said  
Still I thought it would be easy  
Now I know what he meant

And it's driving me mad  
I never pictured this  
And I don't know what to do  
Life is so crazy  
Can't make no sense of it  
But I'll try to make it through

Should I go on a vacation  
Have a little fun  
Get away from all the business  
Just relax in the sun  
But I put so much in it  
I won't rest 'til it's done (No)  
Got to keep on fighting 'til the battle's won

And it's driving me mad  
I never pictured this  
And I don't know what to do  
Life is so crazy  
And there's no end to it  
Do you feel the same way too

Driving me mad  
I'm talking hopelessness  
And I don't know what to do  
Somebody save me  
I can't go on like this  
Feeling lost and so confused

It's driving me mad  
I never pictured this  
And I don't know what to do

I'm going crazy  
I'm taking all this shit  
Gonna try to see it through
