"Shotgun Shy"

Keep it on your own
Far away from home
Well I try and try and tell you
Right from wrong
I don't need no double barrel
In my home
Whoa I, I'm shotgun shy
It don't mean I need you
To get by
Whoa I, I'm shotgun shy
I don't need a way out of this night
So hard to understand
Why you choose that
Trigger happy hand
Well I try and try and tell you
Right from wrong
I don't need your double barrel
Here at all
And in this world of love and hate
We will find a way
A way to get by
